The Man with the Plan will carefully review and analyze your present insurance program to determine whether or not it adequately protects you — your family — your business.

If not, he will recommend an insurance program that is tailored to your individual needs, and one which is flexible enough to be adapted to your future demands. The Life and Health policy portfolio of The Employers' Life is one of the most modern available.

From his own wide personal experience and that of The Employers-Commercial Union claim men, engineers, statisticians, underwriters and fieldmen, who stand behind him; the Man with the Plan can offer you expert and professional counsel on building a better, more secure life, insurance-wise. Equally important, as a neighbor and local businessman, he can supply the personal service you may require in time of need.
